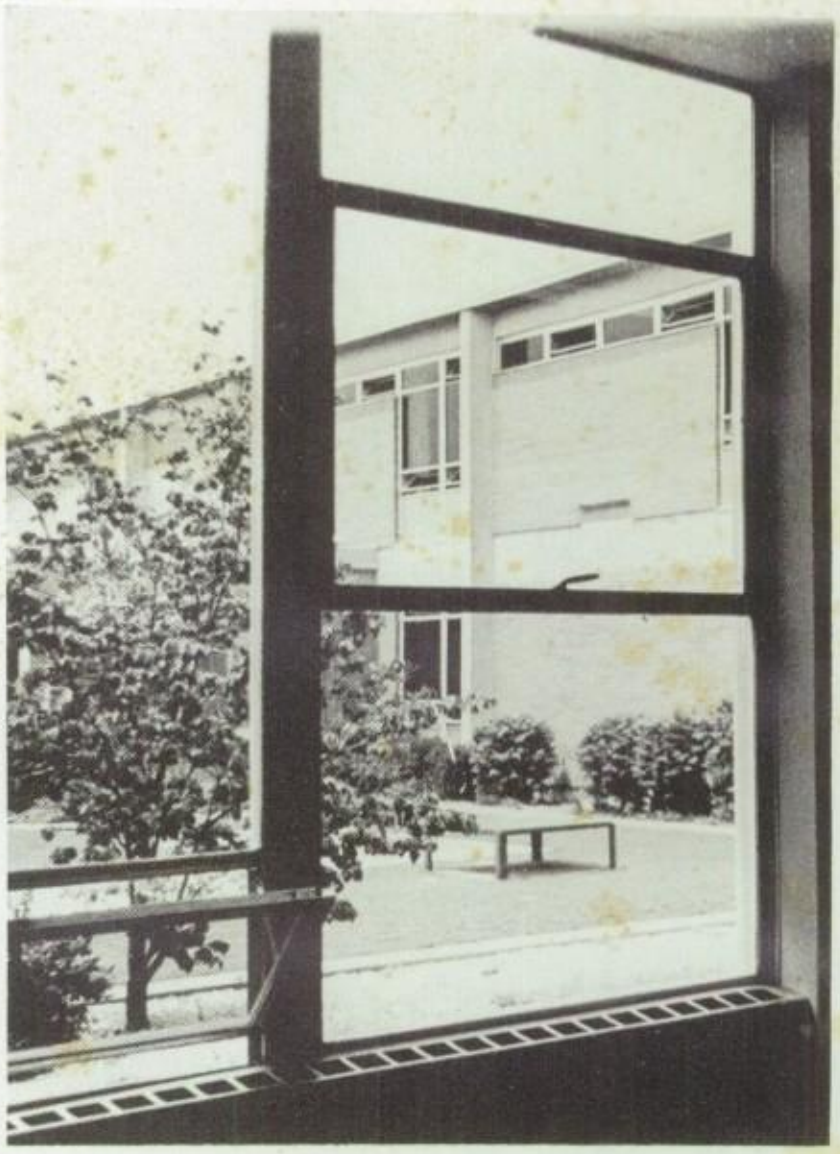
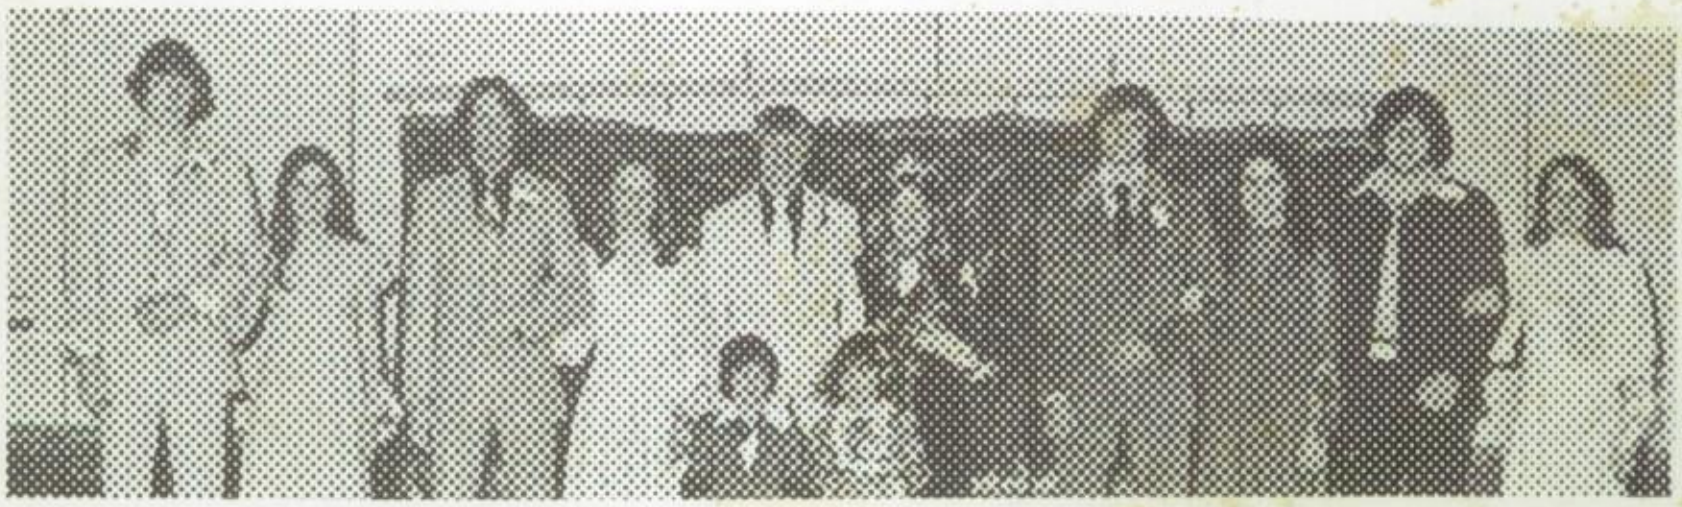
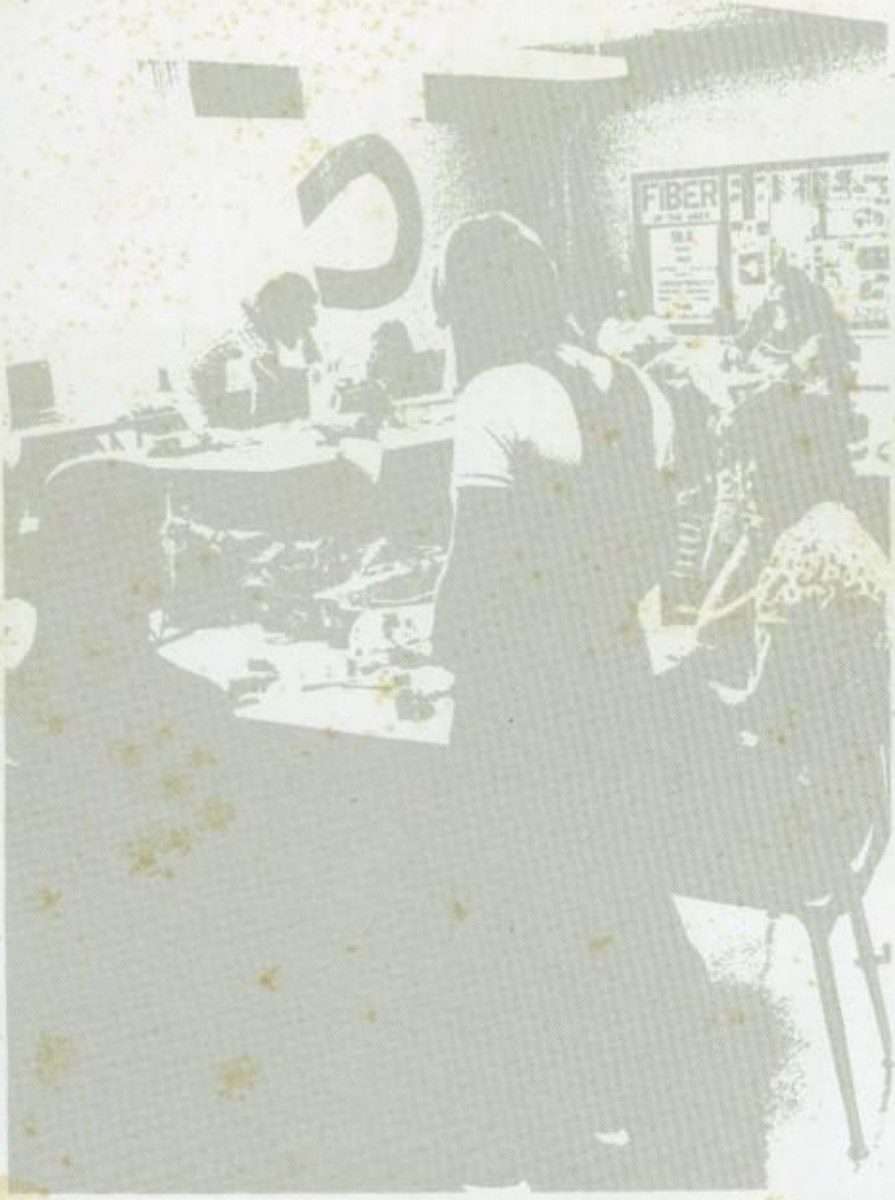
How we remember our school is how involved we get in it's activities.



Involvement is the key to a happy school life.





Here are a few memories of the involvement of students at Wynford.

"Honored graduates, members of the stage, and guests:

Before I speak to the graduates I have a very meaningful and honorable mission to perform.

As has been spoken of by our graduating seniors and as most of you know--Mr. Donnenwirth, our superintendent of the Wynford School District, is retiring as of Aug. 1, 1977. The people of the district, as well as the teachers, employees, and members of the school board regret this move, but in due regard the school board has respected Mr. Donnenwirth and has accepted his retirement with best wishes for the future.

As soon as Mr. Donnenwirth's retirement was officially accepted, the representatives of the various bodies of the Wynford District--the employees, the teachers, the principals and the School board, met to consider what could be done in honoring of this man.

First--it was agreed upon that an open house would be held Sun., June 5 from 2-4 pm in the Wynford High School cafeteria mall to honor Mr. Donnenwirth for his years of service.

Second--it was discussed as to what we could do or give in respect to our retiring superintendent. It was decided that we could not give anything to this man who has given so much to us--in that it would be trivial or meaningless as material gifts go.

Therefore it was decided with unanimous assent of all bodies the official approval of the school board--that a dedication be made; and that it be made during the commencement proceedings of May 29.

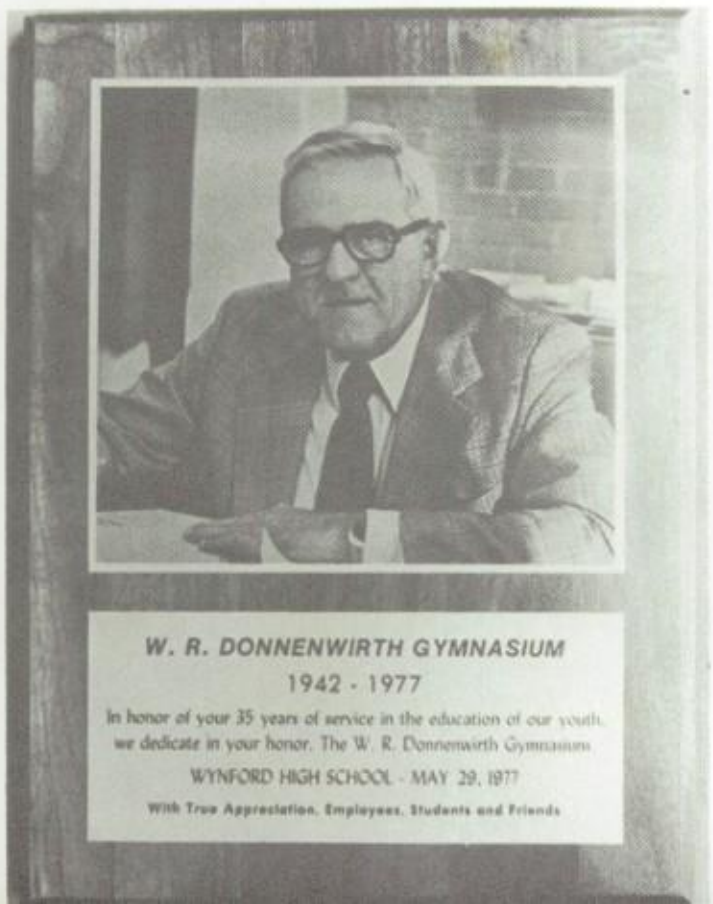
With that hint I would ask Mr. Donnenwirth to approach the microphone, please.

Mr. Donnenwirth--The Wynford School District takes pride in having had you for its sole superintendent for its first 16 yrs. of existence and for your 35 years on education. We respectfully submit that your presence as a skillful administrator, your sacrifice in giving of yourself to molding the four previous school districts into a successful combined district and your devotion to excellence in education have combined to make the Wynford District unequaled by any other school district in the surrounding area.

Therefore in appreciation of your endeavors and in respect for your service we, the students, the employees, the teachers, the administration, the school board and friends do hereby dedicate the Wynford High School Gymnasium to you--and as of now the 29th of May 1977 and henceforth shall be known as the "W.R. Donnenwirth Gymnasium."

Mr. Donnenwirth this small plaque is a duplicate personal size of the large plaque on the gym wall--for your own use, in your den, or to use as you see fit."

Mr. Darrel Keller, President of the Wynford Board of Education, Speaking at the 14th Annual Conmencement



W. R. DONNENWIRTH GYMNASIUM
1942 - 1977
In honor of your 35 years of service in the education of our youth, we dedicate in your honor. The W. R. Donnenwirth Gymnasium
WYNFORD HIGH SCHOOL - MAY 29, 1977
With True Appreciation, Employees, Students and Friends

A look of amazement crossed the face of Miss Sarah Keller as she was named Miss Crawford County 1976 at the Mardi Gras festivities last evening.

Crowning her was the 1975 queen, Krista (Ehmann) Gerhart. Miss Keller was presented with a bouquet of white mums and a trophy by the chairman of the contest, Jaycee Ben Grochowalski.

Miss Keller's travels have taken her to 48 of the 50 states and to all of the Canadian provinces with the exception of two.

She enjoys sewing, cooking, mountain climbing, hiking, bike riding, playing the piano, bowling and collecting charms and stamps.

Following graduation, Sarah would like to attend college to major in secretarial science. She is the daughter of Mr. and Mrs. Darl Keller, 1248 River Rd.

Charlie, Girl Track Star is the story of a never-do-well high school student who is always getting into trouble while trying to impress the star of the girls' track team. When it looks as though Jo, his heart throb, may loose a track meet, some of his "friends" talk him into dressing as a girl to run in the meet.

Jo threatens to break their date for a dance if he doesn't quit playing pranks. He tries to back out of running in the meet. However his friends try to blackmail him with a photo they have of him in a girls' track outfit. His friends also try to give the opposing teams' track star a powerful sleeping pill to keep her out of things until the meet is over.

Charlie figures out their plan and manages to give the sleeping pill to the ring leader of his group of friends. By doing this, he gets out of running in the meet, the rival track star is in good shape to run, and Jo wins the meet, making a happy ending for our hero Charlie.

¡Fiesta!

Spanish Club held it's annual fiesta on the night of May 20. The theme for this year was "Los Deportes", sports. Preperation for the event began many weeks in advance as students made tacos, painted murrals, and practiced skits and dances.

On fiesta day Spanish students wore Spanish costumes to school and sold tacos in the consession stand all afternoon.

That evening, the fiesta began with a pot luck meal of Spanish food. Students then presented a series of skits in Spanish and several Spanish dances and songs. The party ended with the traditional breaking of the pinata.

CROSS COUNTRY

This past year our Cross Country Team performed very well. They had an 11-3 record and placed first in the Ridgedale Invitational and the NCC. In the District "A" Meet they placed Third out of twelve and in the State "A" Meet they placed seventh out of thirteen. They had six strong seniors who will be missed next year, although there are many very good underclassmen to replace them. The standout for the year was a senior, Chris Dunlap. He placed either first or second in every race, except one, that he ran in. In the State "A" Meet Chris Cunlap was 2nd at 10:00, Dave Dotson was 15th at 10:24, Steve Neff was 46th at 10:50, Ken Kocher was 55th at 10:57, Kevin King was 62nd at 11:05, Ed Will was 63rd at 11:06, and Phil Neff was 67th at 11:10. It was a great year!

Our varsity season record of 2-6-1 does not reflect the ability of our football team. We had games that were won and lost by breaks in the game, we had others that we threw away. and we had games in which we played some really good football. We are in a league that has no weak teams, but at the same time there is no excuse for losing. We are a team that has tasted victory and defeat. If nothing else we are better off that we all worked together, for one common goal, and learned the discipline and dedication that it takes to be a football player. A member of the Wynford Royals Football team.

CHEERLEADERS

Jill

A dream come true . . . that describes being a cheerleader at Wynford for four great years! All the memories I have, will be cherished for the years to come and the lessons I've learned from the responsibilities, fun, and FRIENDSHIPS built by cheerleading will always be valued in my heart. Thanks a lot WHS--cheering for your teams was GREAT!

Dianna Stiner

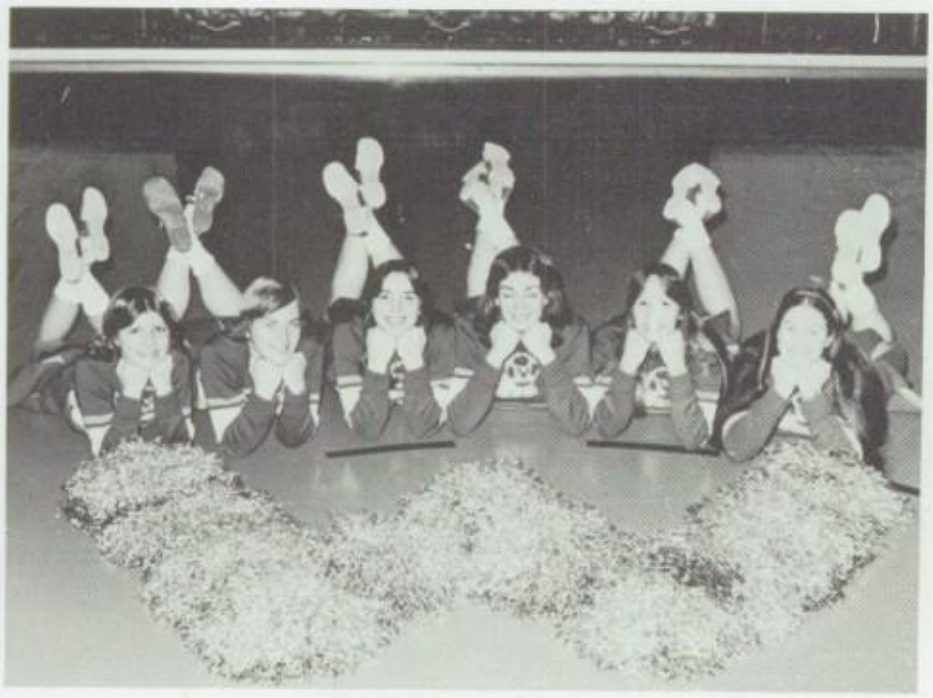
Dianna and Debbie

Being a Wynford cheerleader for four years has been a special privilege and a goal fulfilled. I have held this position in high esteem, always aware of the deep responsibility and opportunity entrusted to me. Since I have gained so much from this experience, I sincerely hope I have contributed something worthwhile. Thanks to those cheerleaders who have honored me so "royally" with their support. Memories of cheering with seniors Penny, Sarah, Dianna, and Bobbie will always be treasured. No matter where life leads me, a part of me will always be here cheering Wynford on.

Jill Kiess

Dianna

Varsity Cheerleaders: Debbie Hatcher, Dianna Stiner, Angie Perdue, Penny Miller, Jill Kiess, Sarah Keller.



Wynford High School was well represented this year by super cheerleaders.

Their season started in the spring of '76, preparing for camp. There they learned valuable techniques and new cheers, mounts, and skits. They were voted most Spirited Squad and it showed in their support of all teams throughout the school year.

Four seniors provided leadership for the underclassmen as they each earned their four year awards. Senior Jill Kiess was voted Outstanding Cheerleader for the second year.

Sarah

As my four years of cheering for the great Wynford Royals come to an end, I would like to thank everyone who has made it all possible for me. It has been the four best years in my life and cheering for Wynford will always hold special memories in my heart. So a big thanks to all those special gals I've cheered with and especially to my favorite of them all: Jill, Penny, and Dianna. It's been super!

Sarah Keller

After cheering for four years, I'll remember the great teams we yelled for and the guys that worked so hard to make them great. I'll remember the hours of practice and planning and the crazy things we did. But I'll always have the strong friendship with the girls I've been lucky enough to cheer with! Thanks W.H.S. for the super times.

Angie

The Reserve and Freshman squads spent this year learning behind an experienced Varsity squad Also both squads went to camps last summer, where they got a head start on the 76-77 sports season. J.V. members were April Smith, Linda Schifer, Debbie Daiber, Cindy Long, Dee Welch, and Cathy King. April also acted as the Varsity alternate. Freshman squad members were Tonya Stanley, Rhonda Louis, Lori Burkhart, Lor Zeigler, Paula Steiger, and Kathy Hetrick.

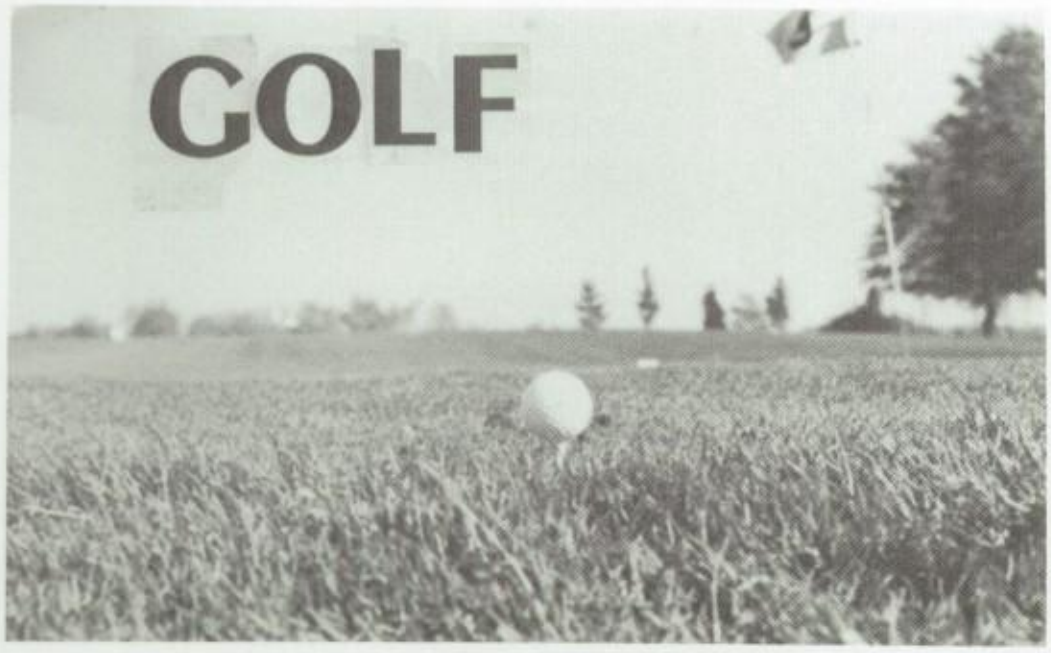
GOLF



The 1976 Golfing Wynford Royals finished the season with the best overall record in the 7 year history of the sport. With such fine linksters as Dave Eppley a sophomore, voted M.V.P., and senior golfers Brian Stockmaster, Doug Smith, and Bob Leonberger, the Royals shattered the team record by 11 strokes. Dave set a new individual record of a fine 37. Other Royal Swingers consist of freshmen Troy Adams, Frank Hienlen, Jerry Kissling, Todd Nigh, and Chuck Richmond. Sophomore golfers included Jeff Bender, Brad Hawkins, Gary Oberlander, and Joel Tschantz, Tim Stockmaster represented the Jr. class in golf. The seniors will be missed with such talent returning the 1977 Golfing team should exceed this year's Royals.

After qualifying at the Sectional to advance to the District Ken Grove--175, Bob Oberlander--126, Brian Stockmaster--138, and Tim Stockmaster--98 began to work very hard. Team record was 1-7.

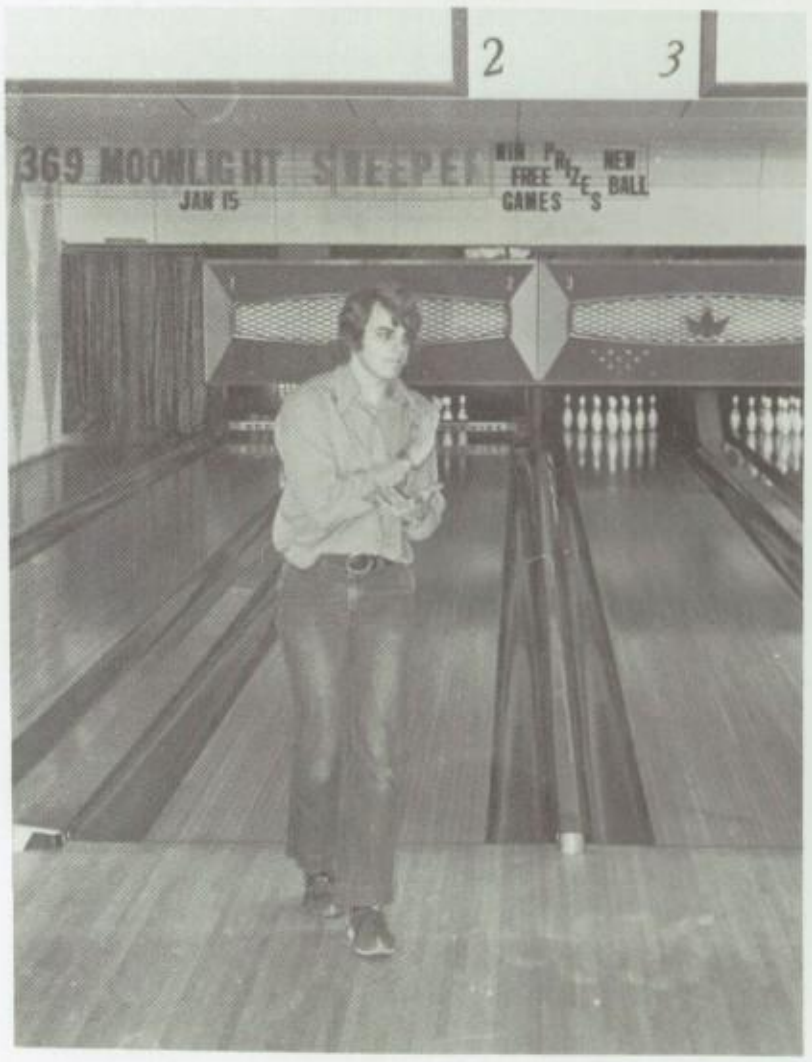
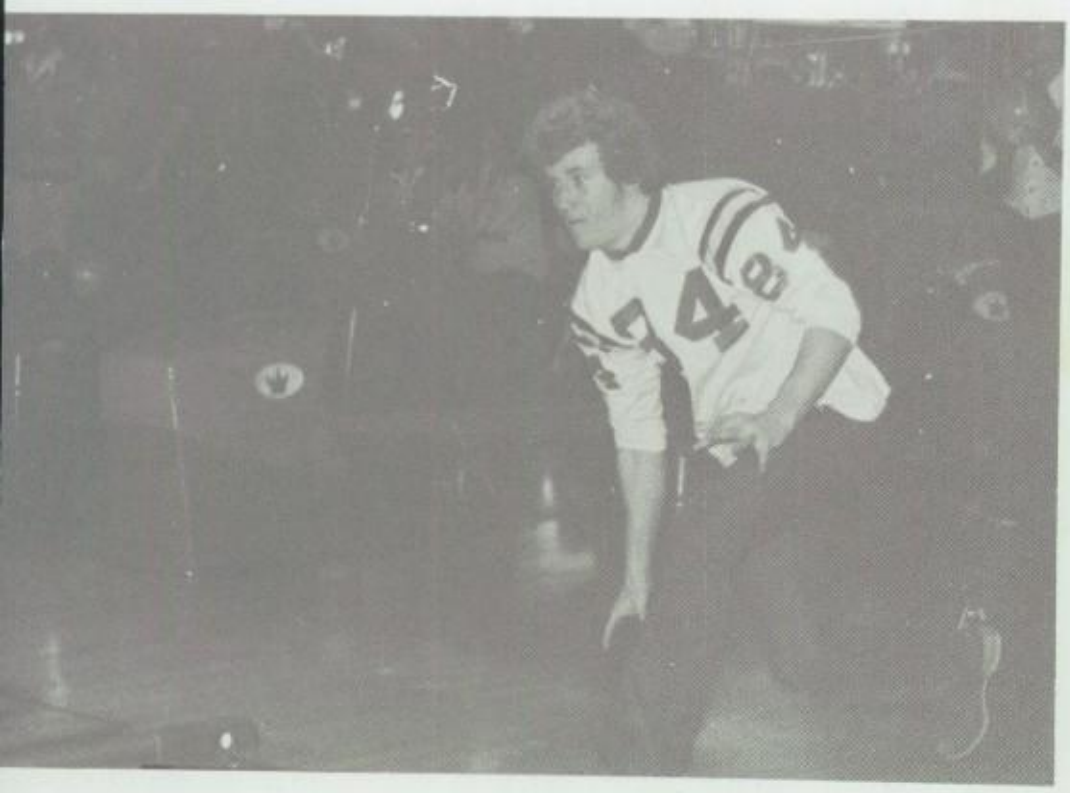
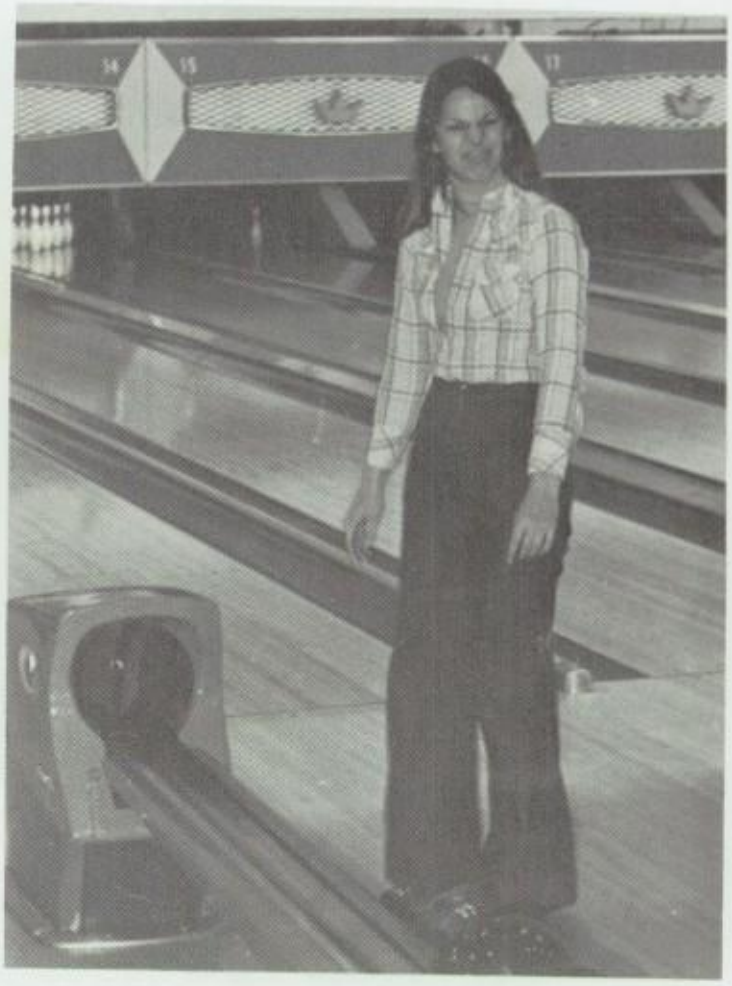
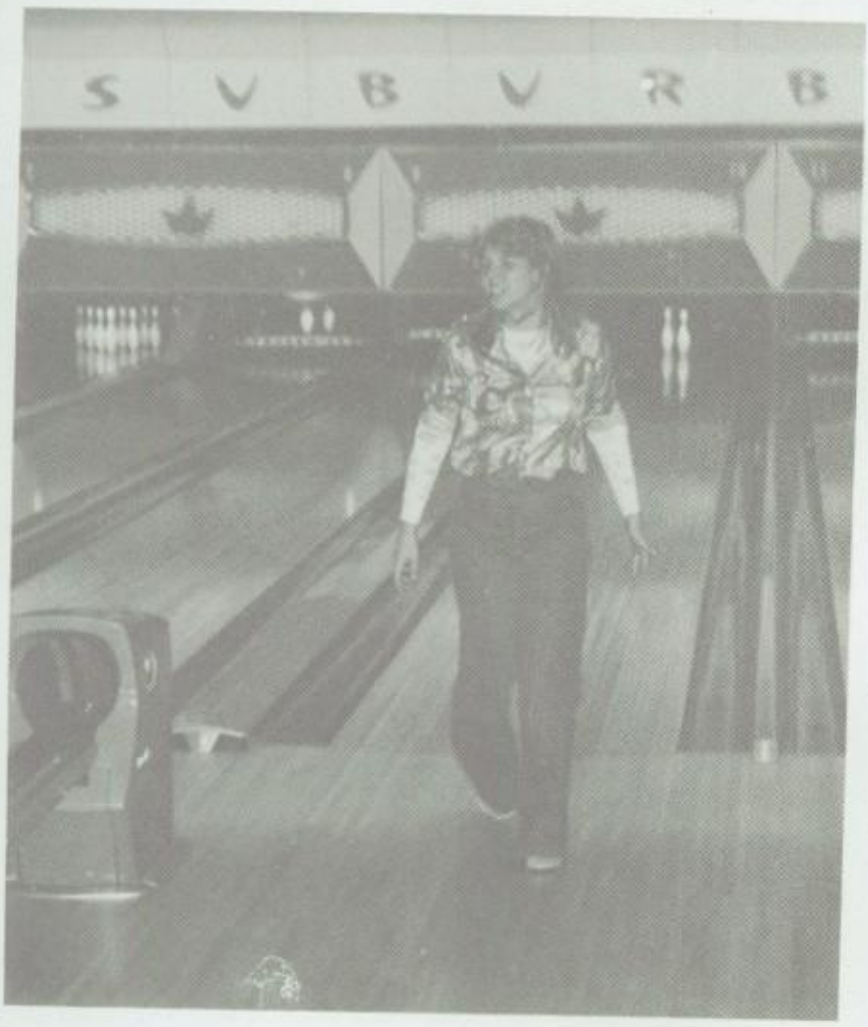
BOWLING

TOURNEY TEAMS

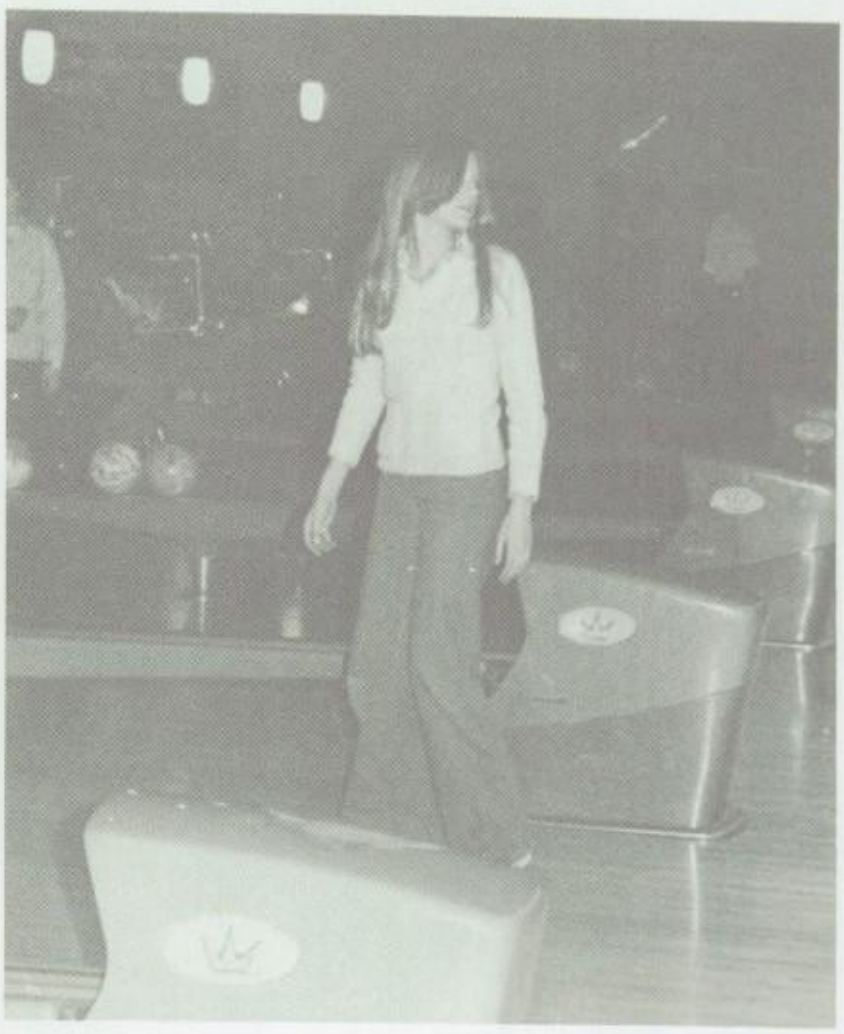








Strikes and spares were what everybody wanted but that was not always the result, as every Tuesday and Thursday the Wynford bowlers met at Suburban Lanes. Although not all of the gutters and fouls went for naught however. For the second straight year the girls tournament team won the Crawford County High School Bowling Tournament and were crowned "Champions". The big win came over a tough Buckeye Central team that had our girls down till the last game.



The boys tournament team did not fare as well, however, as they went down to defeat in the first round to the tournament winners Buckeye Central.
